OVERVIEW

Top floor apartment next to the L'illa shopping centre , with four bedrooms, two bathrooms, a toilet, a terrace, two parking spaces and a storage room.

This beautiful, recently renovated apartment is located in a very prominent building opposite the L'illa shopping centre and next to the Olga Sacharoff gardens. It stands out for the high-quality materials used in the renovation, as well as its combination of noble elements and the latest technology.

The property is optimally distributed, as it distinguishes the day area .

Upon entering, a large open-plan space links the main rooms of the property: a spacious living room next to a huge and comfortable dining room with views of the terrace. A large kitchen diner semi-open to the dining room includes a separate utility area and a guest toilet hidden behind the entrance hall. All this completes the day area.

Crossing a swing door, we enter the bedroom area. First, we see a versatile room that can be used as an study or a play area. The en-suite bedroom, with a bathroom and private terrace, offers views of the Olga Sacharoff gardens. Finally, we have two double bedrooms that share a full bathroom and an area with very large built-in wardrobes . The interior design of this area is thought out down to the last detail.

The property has high quality finishes, such as a Bulthaup kitchen, Gaggenau appliances , double thermal break enclosures, LED lighting, home automation control (air conditioning, heating, blinds or lights), projector and cinema screen.

La Finca has a daytime concierge service, two parking spaces (one of them large) and a storage room, as well as a service entrance and a freight elevator.
