### OVERVIEW

## For sale spacious 50 m<sup>2</sup> ground floor property with a double bedroom and a private 11 m<sup>2</sup> exterior space in the heart of Gràcia

Pau Alsina Gràcia is an exclusive development of seven fully renovated new build homes, located in the sought-after neighbourhood of Camp d'en Grassot and Gràcia Nova. This project is an example of the perfect harmony between the refurbishment of a period building and a contemporary design, preserving the modernist essence that characterises Barcelona's most emblematic architecture.

This ground floor property, with a surface area of 50 m<sup>2</sup>, is distinguished by its large private terrace of 11 m<sup>2</sup>. Upon entering, you can see an open and fluid layout that combines the living room dining room room with an open kitchen, as well as offering direct access to the terrace and enjoying abundant natural light. In the other wing of the property, there is the night area, consisting of a large double bedroom and an ensuite bathroom, also with access to the terrace, which provides an atmosphere of connection with the exterior.

The interior design is distinguished by its elegance and attention to every detail. The fully integrated kitchens are equipped with high-end appliances, furniture in neutral tones and countertops made of noble materials such as black calacatta or wood, and complemented by oak finishes that provide warmth and distinction. The three-layer oak parquet floors and double-glazed windows with thermal break ensure comfort and energy efficiency in all spaces.

Each property reflects the highest quality standards, with bathrooms that stand out for their microcement finishes, suspended sanitary ware and built-in taps, creating a sophisticated and modern atmosphere. In addition, the air conditioning system using aerothermics guarantees efficient and environmentally friendly thermal comfort.

Located in one of the most exclusive areas of Barcelona, Pau Alsina Gràcia offers an unrivalled residential experience, combining the tranquillity of a privileged environment with the vitality of an urban life full of amenities, shops and a rich gastronomic and cultural offer.

Please do not hesitate to contact us for more information about this exclusive development in the heart of Barcelona.
