OVERVIEW

For sale, renovated three-bedroom property located in a period building refurbished with excellent modern design, close to Diagonal and Passeig de Sant Joan.

This magnificent apartment, renovated to the highest standards, is located in a refurbished period building with a beautiful lobby with a lift. It is in an unbeatable and very central location, in the coveted Eixample Right of Barcelona, very close to the Diagonal and Passeig de Sant Joan.

This is a property ready to move into. It is furnished and brand new thanks to an excellent renovation that has been carried out with top quality finishes and a modern design. It also retains attractive features of a modernist building, such as high ceilings and large windows, which give it a special character and provide abundant natural light and a feeling of spaciousness.

The apartment consists of a spacious and bright dining room living room with access to two balconies overlooking the street. Next is the open kitchen, which is equipped with panelled appliances.

In the night area we find the three bedrooms of the property: two double bedrooms that share a bathroom and the main bedroom with a dressing room, private bathroom and access to a small terrace overlooking the quiet courtyard of the block.

The property is equipped to ensure your maximum comfort, with radiator heating, hot-cold air conditioning by splits and wooden floors. In addition, it is very close to several public transport options and in a location that will allow you to fully enjoy everything the city has to offer.
