Lucas Fox presents this exclusive new build development located on one of the most coveted streets in Barcelona's Eixample Right, just steps from the renovated Glorias Park and the vibrant 22@ technology district.

This classic building has been completely renovated to house nine exclusive homes that combine contemporary design, functionality, and top-quality finishes. The development offers a range of one-, two-, and three-bedroom properties, with intelligent layouts and open spaces bathed in natural light.

This particular property is located on the main floor and has 98 m² of built area, distributed across three bedrooms and two bathrooms, plus a 64 m² terrace. Its design optimizes every square meter with open, functional spaces, where the day area integrates the living room, dining room, and kitchen for a fluid and comfortable layout.
