OVERVIEW

Renovated apartment with high-quality finishes in the most prestigious area of Barcelona

Impressively sized corner apartment with side views of Turó Park. This property occupies an entire floor of a stately building on the iconic Avenida Pau Casals. It boasts high-quality finishes, spacious rooms, and abundant natural light.

The space is divided between a large living room with a gallery and views of the trees, a semi-open kitchen, five double bedrooms, six bathrooms, a utility room, and several walk-in closets. The kitchen is separated from the living room by glass doors and is equipped with a marble island and high-end appliances.

All the bedrooms are impressively sized, with the master bedroom measuring approximately 30 square meters and featuring its own bathroom and walk-in closet. Two of the bathrooms are equipped with bathtubs, while the others offer walk-in showers. Both the walk-in closets and the bedrooms feature custom-made wardrobes.

The apartment offers three heating and cooling options, including underfloor heating, gas radiators, and a heat and air conditioning system with ducted air conditioning. It is currently in the initial phase of renovation and can be customized to suit the unique style of its future owner.

Located just steps from the iconic Turó Park, this apartment is close to international schools and has excellent connections to the rest of the city. Living here means enjoying the best of Barcelona: elegance and comfort in one of the city's greenest and most prestigious areas.
