OVERVIEW

For sale spectacular renovated 155 m2 property with four bedrooms and two bathrooms on Paseo San Juan (Barcelona)

This fantastic apartment for sale is located in a classic 1950s building with a stately entrance and lift. Specifically, it is located in the Eixample Right of Barcelona, on the Paseo San Juan. Without a doubt, this is one of the best streets to live in the world.

The property is located on the seventh floor of the building, which is why it receives a lot of natural light in all the rooms. In addition, being on a wide avenue, it has extensive and clear views over the entire city.

Its 155 m² with double orientation (east and west) is distributed in a huge dining room living room with access to a sunny balcony at midday and in the afternoon, as well as a spacious kitchen semi-open to the living room and with all the appliances and office area.

Next to the kitchen we have a full bathroom that functions as a guest toilet and some cupboards that hide the passage to the gallery where the washing machine is.

The night area houses three large double bedrooms and another full bathroom . Two of these rooms have views of the Torre Glòries and the horizon, while the fourth is medium-sized.

The recent renovation was a complete success, so the property is in very good condition and ready to move into after updating some aspects.

Don't hesitate to visit this magnificent property with Lucas Fox!
