OVERVIEW

Newly renovated 2-bedroom, 2-bathroom apartment in the Gothic Quarter. Industrial style with top-quality finishes.

This newly renovated 2-bedroom, 2-bathroom apartment is located in Barcelona's iconic Gothic Quarter, combining bold industrial design with high-end finishes for a truly unique living space.

Renovated with top-quality materials, the apartment features an open-concept layout with exposed brick accents, clean lines, and a modern, minimalist feel.

Upon entering the apartment, the main bedroom with its en-suite bathroom is located immediately to your right, offering comfort and privacy. The kitchen is fully equipped and seamlessly integrated into the living area, creating a functional and stylish environment.

A staircase leads to the loft-style second floor, where we find the second bedroom, also with its own en-suite bathroom. The layout maximizes both space and functionality while preserving the apartment's stylish, industrial character.

Both generously sized bedrooms feature their own en-suite bathrooms, offering privacy and comfort; ideal for shared living or hosting guests. Each bathroom is designed with sleek fixtures and walk-in showers, echoing the industrial-chic aesthetic found throughout the home.

Set in a prime location within walking distance of cultural landmarks, shops, and restaurants, this property is a standout option for anyone seeking a move-in-ready home or investment in one of Barcelona's most atmospheric neighbourhoods.
