Stunning 1-bedroom apartment for sale in the Gothic Quarter, Barcelona

Very spacious 1-bedroom apartment with plenty of natural light and character, fully renovated with high-end materials, a stone throw away from Port Vell and Soho House.

Be among the first to discover this hidden gem on a very quiet pedestrian street, just steps away from Soho House, the seafront, and Barcelona's marina.

Located on one of the most beautiful streets in Barcelona's Barri Gòtic, where the façades breathe centuries of history and creative energy can be felt on every corner, this unique apartment combines the authenticity of the past with the most contemporary design and comfort. Just a few steps from Carrer Avinyó and the city's most iconic landmarks, it offers the perfect blend of charm, light, and style.

On an upper floor of a renovated building, the apartment enjoys dual orientation and abundant natural light thanks to its open views from the living room and two quiet interior courtyards. Every detail has been carefully designed with high-quality materials, open spaces, and a layout that fluidly connects the living room, kitchen, and entrance hall.

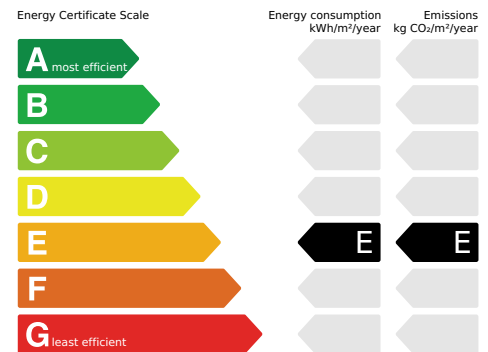

The main features include a separate bedroom with built-in wardrobes and custom-made furniture, an open-plan space integrating living room, dining area, and kitchen with microcement and mosaic floors, preserved original features, such as woodwork, exposed beams, and hydraulic tiles, as well as modern touches like the custom furniture, recessed lighting, and elegant, sophisticated finishes.
