6 Bedroom house / villa with 34m² terrace for sale in Vallvidrera, Barcelona

Spectacular designer country house in Vallvidrera with three integrated independent dwellings, swimming pool, natural light and total privacy.

A unique house in Vallvidrera designed by the prestigious architect Barba Corsini, a very special piece that combines original architecture, large windows, natural light and views of the forest, located on an elevated plot with maximum privacy, different terraces and a pool surrounded by nature.

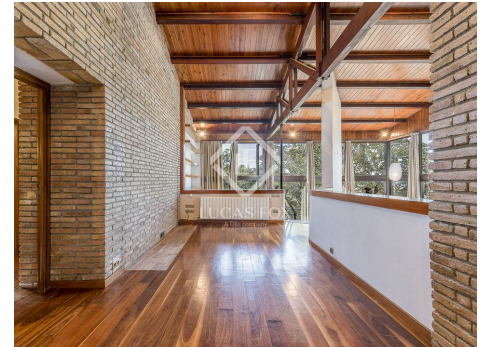

The main property stands out for its impressive double-height living room with wooden ceilings and exposed beams, stone walls and huge glazed surfaces that connect directly with the treetops, creating a feeling of a modern refuge in the middle of the mountains, the daytime spaces open onto a terrace facing the greenery and the bedrooms enjoy total tranquility and light, some with beautiful Catalan vaulting ceilings that add character and warmth.

The layout follows the natural slope of the land with visually connected levels, a bright kitchen overlooking the garden, several spacious rooms and charming areas, fine materials and an architecture that exudes design throughout.

On the ground floor there is a second, completely independent and newly renovated apartment, ideal as an additional property, for guests or as a professional space, with two spacious bedrooms, a modern kitchen, a designer bathroom with natural materials and a living area with large windows that open directly onto the garden and the pool area, maintaining original elements such as the Catalan vaulting and combining them with modern finishes.

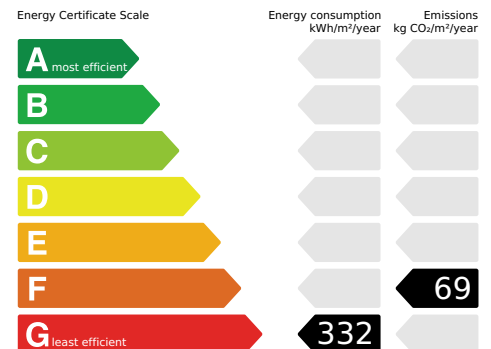

In addition, the property has a third independent space affectionately known as Gingerbread House, a mini apartment with spectacular alpine-style charm, perfect for guests or as an intimate retreat, with a rustic kitchen equipped with solid wood furniture, handcrafted details and traditional tiles, a cozy dining room with wooden beam ceilings, a warm living room decorated with mountain textiles, a separate bedroom and a full bathroom, all wrapped in a homey and very special atmosphere.

The exterior offers multiple relaxation areas, stone paths, landscaped levels and a very sunny swimming pool integrated into the forest landscape, creating a unique environment to enjoy absolute tranquility just minutes from the centre of Barcelona thanks to its excellent connection with Vallvidrera and the city.
