Excellent 1 Bedroom penthouse for sale in Vila Olímpica, Barcelona

Contemporary penthouse loft with terrace off the living room, panoramic views and a sophisticated industrial design

This exclusive property boasts a carefully curated combination of design, natural light, and open spaces, conceived for those who value style and comfort in a prime urban setting. It features a spacious open-plan layout that integrates the living room, dining room , and kitchen, creating a modern and inviting atmosphere. The kitchen, with its distinctly industrial character, stands out for its high-quality materials, custom-made cabinetry, solid wood countertops, and a unique metal range hood, complemented by an attractive backsplash of handcrafted tiles that adds personality and warmth.

The living room opens onto large windows that connect directly to the terrace, allowing for excellent natural light throughout the day. Finishes such as large-format flooring, indirect lighting, and contemporary furnishings reinforce the sophisticated character of the space.

The jewel of the property is its spectacular private terrace, a true urban oasis with wooden decking, an exterior seating area, and a carefully curated selection of plants. From here, you can enjoy open and unobstructed views over the beautiful Ciutadella Park, the city, and the sea—ideal for relaxing or enjoying the Mediterranean climate year-round.

The bedroom is complemented by a uniquely designed bathroom , equipped with original fixtures and carefully selected materials that reinforce the property's distinctive character.

In short, we are looking at a unique property, with a lot of personality and character, designed for those looking for a high-level urban environment.
