Apartment in a modernist building located next to the Galvany Market

Stately apartment located in a modernist building in Sant Gervasi-Galvany

We present this magnificent property of approximately 200 m² located in a beautiful modernist building completely refurbished, in one of the most sought-after areas of Barcelona, a few steps from the Galvany Market and Turó Park.

The property retains the architectural charm of its era, with high ceilings, elegant original moldings, and spectacular hydraulic tile floors that lend character and authenticity. A unique opportunity for those who appreciate classic architecture with soul.

The property features five spacious bedrooms and two complete bathrooms, offering numerous possibilities for reconfiguration to suit individual needs. Thanks to its almost exterior orientation, it enjoys abundant natural light throughout the day, further enhancing its original features.

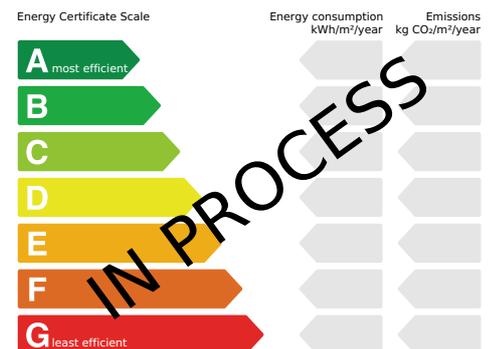

In addition, it has a pleasant terrace, ideal for enjoying a private exterior space in the heart of the urban environment.

A property with personality, spaciousness and hard-to-find historical elements, located in a highly desirable area that combines the charm of the past with modern comfort.
