OVERVIEW

Incredible 3-bedroom apartment located in an iconic Modernist building with a communal garden and two pools right in the heart of Barcelona.

Girona Apartments, a marvellous new build development, presents this exclusive apartment in an elegant building designed by Enric Sagnier, one of Catalonia's most famous Modernist architects. It is located near Passeig de Gràcia, Palau de la Música and all that the centre of Barcelona has to offer.

This 178m² fourth floor apartment would be the perfect family home thanks to its light-filled interiors, spacious living area, high-end finishes, and attractive neutral decor, which adds a warm and inviting touch. The apartment consists of 3 bedrooms, 3 bathrooms, an open-plan kitchen and a large living-dining room. Storage rooms are available in the basement of the building.

This incredible Modernist building has exclusive benefits, such as a garden with a rooftop pool, where you can bask in the sun and swim whilst enjoying the beautiful views of the city, and a ground floor pool.

An incredible apartment in a new build development right in the heart of Barcelona.
