OVERVIEW

Wonderful modernist apartment with 2 bedrooms and 2 living rooms with period features and a terrace for sale in the Quadrat d'Or.

This 136 m² modernist apartment is located in the Quadrat d'Or, one of the most privileged areas of the city in the Eixample Left.

The property is presented to update. Thanks to its period elements in good condition such as mosaic floors, high ceilings, wooden joinery and stained glass windows, as well as its 47 m² of terrace, it is a unique opportunity to create a dream apartment in the centre of Barcelona. Likewise, the period building in which it is located has a lift and concierge service, as well as a storage room and a communal terrace on the roof.

As soon as we enter the apartment we are greeted by a spacious hall with two large rooms on the left. To the right are two bedrooms, a dressing room and two complete bathrooms. At the back we find a spacious and cozy living-dining room with a beautiful outdoor gallery that overlooks a patio for exclusive use.

The property is equipped with heating to guarantee your maximum comfort at any time of the year.
