OVERVIEW

Spacious 3-bedroom apartment for sale as part of an excellent New Development in Barcelona Old Town.

At the historic heart of Barcelona, in the Gothic Quarter, we find this stunning new development of 13 luxury apartments for sale.

The stately building which houses these properties dates back to the year 1890 and has been renovated to offer impressive modern interiors with a glass lift whilst respecting and restoring its period features such as the original stucco on the building's façade.

This 148m² is composed of a spacious living-dining area and modern, open kitchen fully equipped with high end appliances. The apartment has 3 double bedrooms and 3 bathrooms making this a spacious city centre home.

Charming features such as exposed brick walls, wooden ceiling beams and a combination of wooden flooring and ceramic tiles artfully combine modern elements with historic charm in these sophisticated city homes.
