OVERVIEW

Nice 2-bedroom apartment in a renovated building for sale on Avinguda Diagonal in Barcelona.

This new development is located on Avinguda Diagonal, in a 1930s building with a spectacular façade and offers luxury apartments that overlook the Sagrada Familia.

The building, which is being completely refurbished, offers an elegant marble hall with a concierge service and a lift, as well as parking spaces.

This excellent 80 m² apartment is located on the second or main floor. Upon entering, a hall with a guest bathroom to the right welcomes us. On the left, there is a single bedroom.

Next, we find the very spacious living-dining room with a fully equipped kitchen and a central island, all in a single open space. From the living room on the left, the large master bedroom with its private bathroom is located.

Modern interior design and cutting-edge technology have been carefully combined with restored original details from the 1930s to create this impressive home in the centre of the city. Features that make this apartment stand out include high ceilings with restored wood window frames and mouldings, parquet floors, and elegant marble bathrooms. Floor-to-ceiling windows flood the living-dining room with natural light. The Bulthaup brand kitchen comes fully equipped.
