OVERVIEW

Charming apartment to renovate with a terrace located at the heart of the Eixample, next to Passeig de Gracia and Diagonal.

Excellent principal floor property of 86 m² with a 53 m² terrace in a renovated period building with a lift in the Eixample with the best of the city centre on the doorstep.

On entering this apartment we are immediately struck by its spaciousness and abundant natural light, beautifully complimented by original features such as the 3.45 metre high ceilings with intricate plaster mouldings.

It currently offers a kitchen, bedroom, bathroom and a very large living room – dining room with a pretty glazed balcony that leads out to the wonderful south-facing terrace.

This property is presented in good condition but requires some updating. What's more, it offers many different layout options such as the possibility of creating a second bedroom and bathroom.

A bright principal floor apartment to make your own with a huge terrace and plenty of turn-of-the-century charm in Eixample.
