OVERVIEW

Beautiful 118 m² apartment in a corner stately building dating back to 1900.

This apartment, located within a corner building, has a unique layout and special renovation.

As we enter the apartment we find a large hall that gives way to the independent kitchen which is fully equipped and furnished in white tones.

Next, there is a double bedroom with access to the interior courtyard and a bathroom. The property has 3 bedrooms, which are currently used as a lounge with a fireplace, a bar and another lounge with a beautiful gallery and large windows. From this room, we move on to a second double bedroom with en- suite bathroom.

The property has 2 balconies over Carrer del Bruc and Ronda de Sant Pere.

The apartment has radiator heating, natural wood flooring and original features, such as ornate ceilings and carpentry.

Parking is available very close by.
