OVERVIEW

Bright renovated property with 2 bedrooms with private bathroom, located in the central Sant Antoni neighbourhood.

This excellent home is located on a top floor of a classic building next to Mercat de Sant Antoni, a booming area surrounded by all services and very well connected.

The property is completely renovated and is very quiet, without street noise. It is also very bright, since all the rooms are facing the street or the block patio.

Upon entering the apartment we find an open kitchen with a bar and lots of natural light that comes in from the patio. To the right we have a guest bathroom and a first bedroom, a very charming space that preserves the ceilings with Catalan vaulting and exposed beams. This bedroom has a nice east facing balcony that lets in plenty of natural light. The balcony also has a utility area.

To the left of the kitchen there is a perfect space to locate the dining room, and from there we access the living room, with access to another balcony where you can enjoy the views of the Mercat de Sant Antoni. To the right of the dining room is the master bedroom with a private bathroom.

Equipped with heating, air conditioning and double glazing, this house would be ideal for those looking for a very cosy home very close to the centre of Barcelona.
