OVERVIEW

Impeccable 3-bedroom apartment with views across Passeig de Gràcia, for rent in Barcelona.

This incredible city centre home is right in the heart of Barcelona's prestigious Eixample. A project by renowned architect Josep Puig y Calafalch, this Modernist building enjoys all the classic elegance of life on the city's most prestigious boulevard.

The apartment has 3 balconies providing views across the boulevard including Gaudí's magnificent Casa Battló.

Inside, the grand entrance hall boasts high ceilings, full-height windows and beautiful mosaic tiled and wooden floors. Everything is in impeccable following the major renovation and the level of fit and finish is outstanding.

Wide, beautiful living spaces at the front and a broad arched hallway lead through to the master suite overlooking the quiet central courtyard. Innovative use of space and colours harnesses the natural light flooding in through the floor to ceiling windows.

This is a modern take on traditional Barcelona luxury, introducing a minimalist kitchen cleverly linked to the main living space, sleek bathrooms and atmospheric lighting, but retaining many well-judged original design cues and plenty of homely comfort and charm.
