OVERVIEW

Modern apartment in move-in condition, for rent in a gorgeous 15th century building, fully renovated and tastefully furnished in Barcelona Old Town.

This exclusive apartment is located in the new development, La Palla Apartments. This unique building from 1412 is in a privileged location near the cathedral and the church of Sant Felip Neri. The listed façade has been maintained and inside there is a cloister with arches and a small chapel.

The building has been fully renovated and now offers this attractive 86 m² apartment located on the second floor. The apartment is ready to move in for first use, fully furnished with style and comes with air conditioning (hot and cold air).

On entering the property, there is a hallway which leads to the open plan living space, consisting of couch area, dining and kitchen area. This day area is clearly separated from the night area, on the right hand side of the hallway, where we find the master bedroom with its ensuite bathroom, and a second bedroom again with its own private bathroom. There is a French balcony in the living area and furthermore, you can enjoy the communal outside space on the rooftop; ideal for enjoying the excellent climate and relaxing at the end of the day.
