### OVERVIEW

**Designer apartment with 3 spacious bedrooms with a patio of 25 m<sup>2</sup> totally exterior facing, on Avinguda Diagonal, between Illa and Francesc Macia. A parking space is included in the neighbouring building and another is available for rent if needed.**

The layout of this property has been carefully planned, avoiding corridors and the rooms are all exterior facing, overlooking the street, with large windows.

At the entrance there is a large hall with clean lines and original designer details. The kitchen has a nice practical dining room and an island to enjoy a cooking session with the whole family or friends. The kitchen is surrounded by wrought iron and windows that give a modern look to this room. It also has exterior access to a large patio of 25 m<sup>2</sup> that can be integrated into the property.

To complete this day area there is a guest toilet, and a laundry area for household linen.

Next to the living room we find a refined master suite with its fireplace, and its bathroom, finished with high quality materials. This room has fitted wardrobes.

In the night area we have 2 very spacious bedrooms with exterior-facing windows. These two rooms connect with a study, now used as a TV lounge. Both rooms share a modern complete bathroom.

A parking space is included in the price and is located in a neighbouring building with a second space available for rent if required.
