OVERVIEW

Magnificent and bright apartment designed by Carlos Ferrater with 2 bedrooms and parking, for rent in one of the most exclusive areas of the city.

The property, located in a modern building designed by the famous architect Carlos Ferrater, offers all kinds of comforts, a lift and parking facilities.

This 100 m² apartment is composed of a very wide entrance that takes us to the magnificent living room, where we find a corner sofa and a long built-in bookshelf that dominates this artist's space. The large windows, that overlook the street and fill the space with natural light, are a highlight.

From the living room we access a fully equipped kitchen with high-end appliances. We also find a complete bathroom on this floor. Thanks to an architectural feature, a wooden module separates the living room from a study area or office with a glass table where we can work in total peace.

We access the night area via a wooden staircase that leads to a dressing room with plenty of storage space, a large double bedroom with fitted wardrobes, a bathroom and another single bedroom with shelves.

The entire property has wooden floors that blend with the wooden furniture, cabinets and the veneer of some walls.

Parking is also available in the same building.
