OVERVIEW

Incredible and luxurious industrial style loft apartment with 2 double bedrooms for rent in a residential building with offices, in the Poblenou neighbourhood, less than 10 minutes from the beach.

The apartment is part of the division of a large industrial space located on the top floor of a typical office building in the Poblenou area.

The layout is very functional. The living-dining room and kitchen space occupies the central space of the floor. From here, we access a separate double bedroom with glass and iron enclosures that give it a pleasant feeling of spaciousness. From this area, we also have access to a spacious bathroom with a storage area.

In the opposite area of the living room, we find the access to the main bedroom: an incredible room of more than 25 m² with access to a dressing room and a complete bathroom. The two double bedrooms are exterior facing.

It is a flat that has been designed with great attention to detail, with the best materials on the market, including a functional custom-made kitchen.

Being in a building of industrial design from 1976, it has four service lifts, three elevators, a concierge service and a practical loading and unloading area.

It should be noted that it does not have a certificate of occupancy.
