OVERVIEW

Fully renovated and furnished apartment with 3 bedrooms and 2 bathrooms in the sought-after Eixample Right area of Barcelona.

This beautifully finished 3-bedroom, 2-bathroom apartment is found in the Sagrada Familia neighbourhood and a stone's throw from the trendy Fort Pienc, the perfect place to live an easy lifestyle just off the beaten tourist track, but still very well connected to the city's main attractions.

This wonderfully spacious apartment was remodelled respecting the building's original features such as high vaulted ceilings that give the apartment a rustic feel, while the modern style with industrial detail used for the renovation create a great balance, making it a charming property with lots of character. The stylish furnishing with grey tints, wooden finishes, hints of colour and the lively decoration brings all elements together perfectly.

Attractive wooden and tiled flooring throughout, plus lovely decoration make this an authentic apartment in a desirable location.

The 122 m² apartment has a fully-equipped open-plan kitchen with a water filter system and a storage room. There is a dining area and living room with a studio space facing a courtyard, making it a perfect quiet corner for a home office. Walking along the corridor that separates the day area from the night area, you will find the first complete bathroom and bedroom that would make a great child's room or guest room. Then on the exterior part of the apartment you will find 1 double bedroom, and the master bedroom with an en-suite bathroom.

High quality materials have been used throughout the property, including wooden flooring. The property is equipped with air conditioning, heating and double-glazed windows to ensure your comfort at any time of the year.
