OVERVIEW

Magnificent apartment with 3 bedrooms, 2 bathrooms, with a terrace with magnificent views of the city and with a lot of modernist charm for rent in El Born, Barcelona.

This charming, completely renovated rental home enjoys a magnificent location on the best street in the El Born neighborhood, with a great view. It is close to metro, bus and train stops. It is located in a period building, with many attractive modernist details such as high ceilings, original rose windows and mosaic floors, which add character to the impeccable renovation, in a perfect combination of cutting-edge technology with original period details.

The layout of the home is very practical and makes the most of the available natural light.

Upon entering, we find a spacious living-dining room, with hallmarks of modernism, such as the perfectly preserved mosaic tile floor. In addition, it enjoys a lot of light thanks to the large windows and the glass door with access to the terrace from where you can enjoy magnificent views of the city.

The kitchen is presented in an open room, completely renovated and equipped with state-of-the-art appliances, and that connects us with the night area. The property has 2 bedrooms that share a complete bathroom, with modernist elements. To complete the night area, we find the main double bedroom with a private complete bathroom, with access to a charming interior balcony.

This magnificent apartment would be an ideal home for couples, executives or a small family that wants to enjoy the iconic neighbourhood of El Born.
