OVERVIEW

Bright and spacious 3-bedroom apartment available for temporary rent in a stately building on Passeig Colón, in front of the port of Barcelona.

We find this stately 137 m² apartment on the first floor of a majestic building from 1850 with very high ceilings, typical of the Gothic Quarter. In addition, it has period features such as the doors and mouldings, which give it a historical charm, but at the same time it benefits from a mixture of modern touches. It's located right in front of the recently renovated Port Vell, on Passeig Colón, with views over the sea and the maritime promenade, with access to the beach and the city centre in just 5 minutes. It's the perfect location as it's very centric, yet away from the city crowds.

The day area consists of a living room, which is connected to the spacious and modern kitchen that has a dining area. The apartment offers 4 more spaces: Two bedrooms, a separate laundry room and a multipurpose room for the tenant to use as they wish. The master bedroom includes a dressing room and a balcony overlooking the harbour. In the living room we find another balcony.

It is presented in great condition and stylefully furnished. An ideal option for temporary rent, delivered in very good condition. The rental price includes internet,
