### OVERVIEW

## Fully renovated 3-bedroom apartment in a classic stately building in the centre of Barcelona.

We access the property, finding a large hall with a beautiful period window that overlooks an interior patio. On the left side of the property we reach a first bedroom that has a large en-suite bathroom with a shower and this same bedroom is connected to another bedroom that opens onto a very sunny balcony facing the street.

In the bedrooms, we can appreciate the new parquet and the completely renovated mosaic flooring. To the side, we reach another bedroom connected by a glass door; the two bedrooms can also be used as a study.

We continue along the corridor that leads to about 4 interior-facing bedrooms with a built-in wardrobe, then we come to another complete bathroom with a large shower, all completely renovated.

We continue down the hall and arrive at the large kitchen with plenty of storage space, equipped with an induction hob and oven.

At the end of the corridor we reach the spacious double living room, a very sunny space with views of an interior patio, very quiet and connected to the gallery that enjoys a lot of natural light.

All the finishes of this property are of high quality, with a remarkable mixture of the old style with the modern that brings character to all the rooms.
