OVERVIEW

Great apartment of 255 m2, with three exterior double bedrooms and three bathrooms, two of which are en-suite. Its 67 m2 living room with views of Passeig de Gracia stands out.

Beautiful house of 255 m2 located on the third floor. At the entrance, we find a hall that leads us to the day area. Here, we have a 67 m2 dining room dominated by a marble fireplace, high ceilings with wooden beams, laminated flooring, two windows and a large window with a balcony overlooking Passeig de Gràcia. Next to the living room, we have a spacious and cozy kitchen with beige furniture and high-end appliances. Its stoves are gas and the Macael white marble countertop has a large sink. The kitchen has many cabinets and communicates with the water area, as well as a full bathroom.

The night area has three double and exterior bedrooms with views of a quiet and sunny block patio. Likewise, we have a spacious double suite, with a private gallery, dressing room, bathroom with shower and original Catalan mosaic floors.

Finally, we see two other double and exterior bedrooms, one with a dressing room and the other with fitted wardrobes. Both have a gallery and share a full bathroom with a bathtub.

For greater comfort, the house has gas heating by radiators, as well as air conditioning by splits.
