The property is located in La Barceloneta, a few steps from the beach and with spectacular views of the sea and the mountains.

At the entrance, we find a corridor with large built-in wardrobes that offer ample storage space.

From here, we come to a double bedroom with unobstructed views and access to a recently built mezzanine.

Next to this first bedroom, we access the complete bathroom with a large shower and a second bedroom that could be converted into a second room or office.

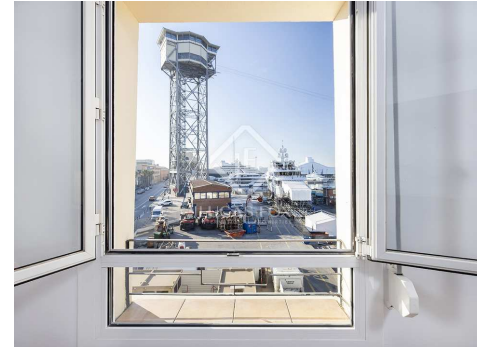

We continue down the hall and enter the open kitchen, completely renovated and equipped with an oven and induction hob.

The entire room enjoys a lot of natural light and has views of the mountains and the Port of the Marina of Barcelona.

We emphasize that the entire property has parquet floor .

Likewise, the property also includes a very large storage room in a communal area of the building.
