OVERVIEW

For rent property in Barcelona, with four rooms and garage.

Charming unfurnished property with four double rooms in the Zona Alta of Barcelona. It is located near the Maria Cristina metro station and the most renowned international schools in the city.

Specifically, it is located in a luxury residential building with a concierge service. For its part, the property has two entrances, the main one and the other for service.

A entrance hall welcomes us upon entering, to the right of which we find a very spacious triple exterior living room with access to a large angled terrace that surrounds the perimeter of the property.

The living room has large windows, so it enjoys a lot of natural light.

Next to it, we come to a room with glass walls that can be used as an study or work area.

Following the tour of the property, we see the first exterior double room together with a large bathroom with a bathtub.

Later, we arrive at the main suite. A very spacious room , with a double bed, a large dressing room with shelves and cupboards, and a full bathroom with a bathtub, shower, sauna, and beauty area.

Next, we have a fully equipped kitchen with all kinds of appliances, with ample storage space and access to the utility area.

After the kitchen, we have another double room with a complete bathroom with shower.

The property is in excellent condition, freshly painted, with elegant herringbone wooden floors and ready to move into. It is ideal for a family that wants to live in a privileged environment in the centre of Barcelona and close to all amenities.

In addition, the property includes a garage on the same building.
