OVERVIEW

For rent elegant apartment in the old town of Barcelona, renovated, modern, furnished, with two bedrooms and two bathrooms and located in an exclusive building from the XV century

This exclusive apartment is located in La Palla Apartments, a new build development . It is a unique building from 1412, with a privileged location near the Cathedral and the church of San Felipe Neri. The historic façade has remained intact and its interior houses a cloister with arches and a small chapel.

This attractive 94 m² apartment occupies the first floor of the building. Upon entering, a corridor leads to a double bedroom together with a spacious and modern bathroom with a shower. Continuing down the corridor, we find a second complete bathroom with a shower and a dining room living room with a fully equipped open kitchen. Finally, we have the main bedroom with built-in wardrobes.

Each of the apartments in this development has access to a communal terrace with a rooftop solarium, ideal for enjoying the excellent weather and relaxing at the end of the day.

The renovation has resulted in welcoming spaces with plenty of natural light and a modern design that is complemented by restored original features. The apartment includes excellent quality finishes and materials, such as Porcelanosa floors, underfloor heating, Mitsubishi air conditioning, ceramic brick walls with thermo-acoustic insulation and LED lighting.

This property is ideal for those looking for a unique and very special property in one of the most interesting and historic neighborhoods of the city.
