### OVERVIEW

**For rent, a new furnished apartment with three double rooms, a few steps from Plaza del Pi, in one of the most emblematic neighborhoods of Barcelona.**

Lucas Fox is pleased to present an exceptional and singular property that exudes a distinctive atmosphere. The property stands out for its incomparable charm, with a design that revolves around a beautiful central patio and a fluid connection between the spaces thanks to the wide doors and corridors.

Upon entering, we find a fantastic open kitchen, designed in an elegant dark blue tone and combined with modern terrazzo countertops and fronts. This room becomes the central axis that links the dining room, the living room and the library, which offers beautiful views of the stained glass windows of the historic building adjacent to the Pi church.

The property has three double rooms, two of them interior with a shared bathroom and a third exterior room with a large dressing room and an en-suite bathroom. It is important to highlight the wonderful light that comes through the large exterior windows, added to the three small balconies that add a green touch to the space.

The renovation of this property focused on preserving and restoring the original elements, while achieving a harmonious contrast with materials and a modern aesthetic. This perfect fusion between the old and the new has been achieved with great attention to detail, adapting the property to a contemporary lifestyle.

The microcement floor throughout the apartment adds a contemporary aesthetic that contrasts in harmony with the exposed stone wall and the wooden beams that rise more than 3 meters high. In addition, the building in which the property is located is renovated and in perfect condition, providing the additional comfort of having a lift.

Likewise, the property has an impressive community terrace, an outdoor space to enjoy the weather and the views of Barcelona, highlighting its proximity to the Pi church.
