OVERVIEW

Spectacular furnished loft in Casa Burés (Eixample Right), with community pool and gym

Casa Burés, built between 1900 and 1905 and located in l'Eixample Right (heart of Barcelona), offers you the opportunity to live in one of the most impressive and best preserved modernist buildings in the world.

It provides its tenants with unique amenities throughout Barcelona. It has two community areas (ground floor and terraces) that allow residents to relax and enjoy this exquisite setting. On the ground floor we find an indoor pool, gym, cinema room, wine cellar, a work area and a kitchen with a dining room, ideal for large gatherings. For its part, the terrace has an outdoor pool.

This loft, of unsurpassed quality, has all the characteristics of modernism, with high ceilings, moldings and hydraulic floors, combined with high-quality furniture.

It has about 205 m² useful space and a 30 m² terrace, two en-suite bedrooms, a guest toilet, a dining room living room with an open Open kitchen, top-quality finishes and all the luxury furniture.

In the day area we find a spectacular open space with different environments and a guest toilet. We have an area with sofas, a large table, a open kitchen with a large island and a chill out area.

The night area houses two en-suite bedrooms with access to a pleasant, very quiet interior terrace, ideal for relaxing and eliminating the stress of everyday life.

The renovation of Casa Burés not only preserves the structure of the building and its listed decorative elements, but also maintains all the advantages of its modernist architecture: light, space, habitability, high-quality materials, innovative solutions and maximum comfort.

Experts in Catalan modernist heritage have carefully studied each door, window, ceiling, floor, sculpture and stained glass window. In addition, specialist artisans have been in charge of restoring the most valuable elements, while those that could not be restored became decorative details or were replaced by identical pieces adapted to current needs.
