### OVERVIEW

## Newly renovated unfurnished three-bedroom apartment a few steps from Paseo San Juan.

In the centre of Barcelona, we find this excellent and cozy three-bedroom apartment located on the top floor of a wonderful period building with lift. It has been renovated with the best qualities, preserving architectural features such as the ceiling beams, which provide a unique touch to the floor, the moldings, the windows with period glass and the wonderful mosaic floor tiles. In addition, it has a lot of light thanks to its double orientation to the exterior and to the courtyard. This magnificent property is located in an enviable location, two blocks from Paseo San Juan and Ciudadela Park.

The apartment has a large entrance hall, to the right of which we find a single bedroom or office space. Subsequently, we access the triple dining room living room with a balcony of almost 30 m2 where we find a fully equipped open kitchen. On the left side of the property, we have a comfortable utility area together with a large guest bathroom .

Likewise, we see a second interior double bedroom with very practical closets. At the end of the property, we find the third double bedroom en suite facing the courtyard, which enjoys plenty of natural light and tranquility. The property has recently restored hydraulic floors, heating, and double-glazed windows to guarantee your comfort at any time of the year. Contact us to visit this fantastic renovated property in the centre of Barcelona.
