Excellent renovated rustic-style house, with 600 m², original elements, light, swimming pool, lift and a large garden protected by a wall. It is located in Collserola, Barcelona, near the Rabassada road, Tibidabo and the Can Cortés restaurant.

The garden is distributed on several levels: a paved part that surrounds the house, a magnificent pool that is heated by solar panels and a large lawn area.

On the ground floor, we find a living room with a fireplace and views of the garden, a dining room, an open kitchen, a multipurpose space with views of the side of the house and a guest toilet. All these rooms are exterior and with lots of natural light.

The first floor houses three double bedrooms en suite and an ideal space as an study or study room. All these rooms are exterior and with plenty of natural light. For its part, the main bedroom has a large dressing room and a large bathroom .

The basement has a spacious garage, a utility room, built-in wardrobes and a double bedroom with a private bathroom.

The lift connects all floors.

The house was renovated preserving its original features, such as terrazzo floor , Catalan tiles, wooden doors and wooden beams in the living room.
