We present an elegant 89 m² apartment in a completely renovated period building in Barcelona, which with its two double rooms is an example of luxury and comfort in a historic environment.

Upon entering the property, a bright hallway leads us to a double room, which can be used as a bedroom or study, and to a spacious living room with two-sided balconies with excellent views of the fascinating Catalan capital. The large windows on these balconies allow natural light to flood the space, creating a bright and welcoming atmosphere, making them the perfect place to enjoy the Mediterranean breeze and admire the beauty of the city from the comfort of your home.

A modern and fully equipped Open kitchen is harmoniously integrated into the living room, making it easy to interact with your guests while cooking. Elegance and functionality combine in this space, which has high-end appliances and quality finishes.
