OVERVIEW

This unfurnished apartment with 4 balconies and plenty of natural light is for rent in the heart of on Enric Granados.

This renovated apartment is for rent unfurnished and can be found in a traditional Eixample style building that has retained its original façade. It is a corner building and as a result the property enjoys unobstructed views over the street and city and has plenty of natural light. The apartment is exterior and boasts 4 balconies, 2 of which have enough space for a table and chairs.

You enter the property into the equipped and semi open kitchen which leads into the living-dining room with the 2 balconies. To the right you will find a complete bathroom and a double bedroom with a built in wardrobe. To the other side of the kitchen we have the main en-suite bedroom with another room within it, this could either be used as an office, dressing room or bedroom for a baby.

The apartment has maintained some of its original features such as high ceilings and mosaic floor tiles and benefits from double glazing.

A fantastic opportunity to rent a wonderful apartment in one of the most sought after areas of Barcelona, ideal for small families or couples.
