OVERVIEW

Exclusive homes for sale in the private gated Benahavis Hills Country Club estate

Nestled in the Benahavis hills we find this exquisite country club with various luxury residences available to buy.

The complex is on a private gated estate with 24-hour onsite security and consists of 36 detached villas and 4 townhouses, all with spacious interiors and the highest specifications - offering all the amenities that one could wish for in a contemporary luxury home.

While there are different layouts to choose from, the villas all offer features such as large individual swimming pools with infinity options, lush garden areas with decking and covered terraces, grand en-suite bathrooms in every bedroom, underfloor heating, large basement areas, fully fitted Gunni & Trentino designer kitchens with all appliances, and much more.

Within the complex, residents will find a sensational wellness centre offering tailored fitness programmes, complete Cybex cardio and weight-training equipment, heated indoor pools, jacuzzi, steam and sauna, an outdoor pool with stunning views and huts where you can relax with a professional massage. What's more, the Hills Cafe offers healthy meals prepared by a trained dietician.

All of this in an enviable location, in beautiful surroundings, just minutes away from Puerto Banús and Marbella, and the quaint traditional Andalusian town of Benahavís, which is literally on the doorstep.
