Benahavis-OL enjoys a unique location on a mountainside near La Quinta with amazing views of the sea and the natural surroundings, whilst being within easy reach of Puerto Banus and all of the amenities of Marbella Town. The first phase consists of 90 apartments with 2 or 3 bedrooms in 3 low-rise buildings, surrounded by beautiful landscaped gardens and pool areas.

The 2 and 3-bedroom room bright, airy, modern apartments will feature bespoke interiors with traditional materials such as wood, Arab tiles and stone; all combined with cutting edge technology and eco-friendly features. It will be the first development to be certified by BREEAM, the world's leading sustainability assessment method for new builds.

These homes have been designed to offer cosy interiors with plenty of privacy whilst connecting with the exterior via floor-to-ceiling glass doors that provide abundant natural light and attractive sea views.

Each property has an assigned parking space in the garage and storeroom. Completion of this phase due approximately in October 2019.
