### OVERVIEW

## Stunning new development of 2 & 3 bedroom apartments for sale with extensive communal gardens and swimming pools, excellent location in Benahavís.

Its mountainside location and stunning views make Benahavis-OL a very special project. Located close to La Quinta, the development enjoys beautiful natural surroundings whilst being within easy reach of Puerto Banus and the amenities of Marbella Town. This second phase of the project, blocks 7 and 8, includes 2 & 3 bedroom apartments in low-rise buildings surrounded by landscaped gardens and pool areas.

Each apartment is bright, airy and modern with quality, bespoke interiors which make use of traditional materials such as wood, Arab tiles and stone. Such traditional elements are combined with state of the art technology and eco-friendly features to create an elegant and sophisticated home. Benahavis-OL will be the first development to be certified by BREEAM, the world's leading sustainability assessment method for new builds.

Designed to offer cosy interiors with plenty of privacy whilst connecting with the exterior via floor-to-ceiling glass doors which provide abundant natural light and enviable sea views.

Each property has an assigned parking space in the garage and storeroom. Estimated completion of this phase Q1 2020.
