OVERVIEW

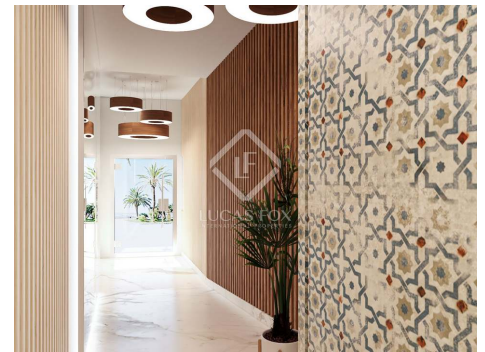

A new development of Apartments for sale in Sitges Town, Barcelona with a starting price of €945,345

This recently refurbished historical building on Sitges seafront has been tastefully converted into 6 beautiful apartments, a penthouse at the top and a large commercial space on the groundfloor all with stunning seaviews and with the beach just across the road and all amenities within easy reach.

The well designed interiors are environmentally friendly and finished with high-quality materials including herringbone parquet flooring, open contemporary kitchens, bathrooms with Porcelanosa ceramic tiling and large double glazed windows looking out to sea.

Given the scarcity and high demand for seafront properties these apartments offer an exciting opportunity and investment!

The refurbishment will be completed in September but it is possible to reserve now so please contact us for more information and prices of the individual units.
