OVERVIEW

A new development of apartments in a historic Barcelona building in the charming Gothic Quarter o the city centre.

Casa Taberner is a listed historic building located on the corner of Carrer de la Boqueria and Carrer Cardenal Casañas, at the heart of Barcelona's beautiful Gothic Quarter.

The building offers a total of 12 brand-new homes, which range from 55 to 197 m², with one or two bedrooms and one or two bathrooms.

These newly refurbished properties have been created with top tier materials and great attention to detail, creating bright, elegant homes that are both modern and in keeping with the charming historical surroundings.

Central air conditioning provides a comfortable temperature in these homes all year round. The Bulthaup kitchens and Porcelanosa bathrooms feature sleek contemporary details for a very luxurious modern lifestyle.

A neutral colour scheme, large windows and stunning herringbone-style oak wood flooring, original mosaic tiles and microcement floors provide the perfect blank canvas that is just awaiting your personal touch.
