OVERVIEW

4-bedroom corner penthouse with sea and mountain views for sale in Residencial Mediterrani I, in Calella de Palafrugell, walking distance to the centre and the beach.

This 4-bedroom penthouse is found in Residencial Mediterrani I, in Calella de Palafrugell, with a communal garden, a large pool and tennis court. This is a very peaceful area of Calella de Palafrugell and is walking distance to the centre and the beach. The private complex has a guard and gardener that lives in the private complex all year round and gated access is restricted to residents.

On entering the apartment we find a living room – dining room with a fireplace and views of the sea and hills, with access to a great terrace with the same views. The kitchen is fully equipped and there is a separate utility area for the washing machine.

There are 4 bedrooms in total: a single and 2 doubles that share a bathroom with a bathtub and the master bedroom with its own bathroom, also with a bathtub. The property benefits from gas central heating and a large underground parking space and storage room are included in the price.

Ideal for families with children or retired couples due to the pleasant, peaceful location and communal facilities. It would also be an interesting option for investors as Calella de Palafrugell is the most popular area for holiday rentals in the summer months, both among locals and international clients.
