€4,750,000 House / Villa - For sale

Luxury home with an infinity pool and exceptional sea views

Fabulous modern villa with panoramic sea views on the prestigious Punta Brava development.

A vision of glass and modern lines, this huge luxury home is set across several levels, all innovatively connected and designed to make the very best of this stunning elevated position and uninterrupted Costa Brava views.

The rooms are all very spacious, finished to impeccable standards and floor to ceiling glass walls and doors flood the house with light and give direct access to a range of gardens and terraces set against that incredible backdrop.

At the centre is a huge kitchen, dining and living area with a fireplace and direct access to vast, fabulous covered and open terraces with decking and glass balustrades as well as a grassy 'infinity lawn'.

The salt water infinity pool and Jacuzzi are on the lower terrace with their own decked area and incredible views. There is also a charming garden upstairs to the rear of the house and a magnificent roof terrace with outdoor kitchen and an al fresco cinema.

The house embraces architectural innovation at every turn. A galleried warehouse garage is overlooked by a shining walkway with a show-piece wine cellar, again all extremely bright and airy thanks to the ubiquitous use of glass walls.

The lower level also has a multipurpose room, gym and a spa area including Turkish bath and sauna, as well as a guest or service bedroom and kitchen. High technology automation and equipment from a lift to lighting make life as safe and simple as possible.
