Excellent 7-bedroom country house for sale in Baix Empordà, Girona

A beautifully restored 14th Century farmhouse set in 5ha of private land in the heart of a natural park with magnificent, far-reaching views.

A substantial country property painstakingly restored by the current owner over a 3-year period and offering all the comforts of modern living. With its origins dating back as far as 1314, the 1,008 m² property is situated in 5 ha of private land in the heart of the Gavarres Natural Park, just 18km from the centre of the beautiful medieval city of Girona. The property boasts magnificent views across the surrounding cork forests and to the distant hills of the Montseny. The home is 10 km from the nearest village, accessed via a beautiful road that winds through the pretty cork forested hills.

The masia is packed with authentic features, including traditional Catalan vaulted ceilings, exposed stone walls, animal feeders, original millstones and a large iron olive press. At the main façade, as you approach the main entrance, is a beautiful walled garden, accessed via large iron gates. To one side are various annex constructions that could be easily converted into a summer kitchen, bar and summer living room as well as further bedroom accommodation. To the other side is a beautiful swimming pool enjoying exquisite views across the rolling woodland.

The size and location of this stunning property make it ideally suited as a potential rural tourism business or cycling centre.

The main part of the masia - comprising 7 bedrooms and 6 bathrooms - measures over 500 m² and has been fully restored to a high standard, including underfloor heating, polished concrete and Spanish white oak hardwood flooring, bespoke designer bathrooms and a lovely modern kitchen with central work island. This main part of the home is constructed over 3 levels and connected by a bespoke-designed iron staircase with solid oak wooden steps. The main living areas are located on the first floor, together with the kitchen and master bedroom and 2 ensuite guest rooms.

On the second floor is an open-plan space, ideal to suit the needs of the new owner. It could serve as a yoga studio, an office, or a cosy family room for screening movies. On the ground floor are further ensuite guest bedrooms and a family suite comprising interconnecting bedrooms, a lounge room, shared bathroom and large walk-in closet.
