OVERVIEW

Comfortable 3-bedroom house right on the beach, with a large balcony with spectacular views of the bay of Sa Tuna.

This unique property is located on the seafront in the bay of Sa Tuna and offers stunning views of the sea.

The house was renovated in 2007 and is presented in excellent condition, organised over 3 floors, with comfortable, bright rooms. We enter on the lower floor, where the large garage, a storage space, the laundry room and a bathroom with a shower are located.

Going up to the main floor, in front we find the nice living room with a fireplace, which brings a lot of warmth to the room. It also has large windows that flood the room with light, allowing you to enjoy beautiful views of the entire bay of Sa Tuna, and giving way to a large balcony with a table and chairs, ideal for al fresco dining while enjoying the sea breeze. This floor is completed by the semi-open kitchen with a dining area and a guest bathroom.

On the upper floor is the night area, consisting of 3 double bedrooms and a bathroom with a shower.

For your maximum comfort at all times, the house has air conditioning and heating by heat pump, as well as double glazed windows.

This house with direct access to the beach would be perfect as a second residence or as an investment. Contact us for more information.
