OVERVIEW

Fantastic seafront apartment on the promenade in Palamós with spectacular views of the port and out to sea.

This wonderful 4-bedroom apartment is located on the seafront of Palamós, just a few steps from the beach and close to all services and amenities. The property, built in 2001, consists of spacious and bright rooms with all modern comforts. The stand-out feature, however, is undoubtedly the magnificent terrace with stunning sea views. In addition, a closed parking space in the same building is included in the price. An ideal family home as a first or second residence.

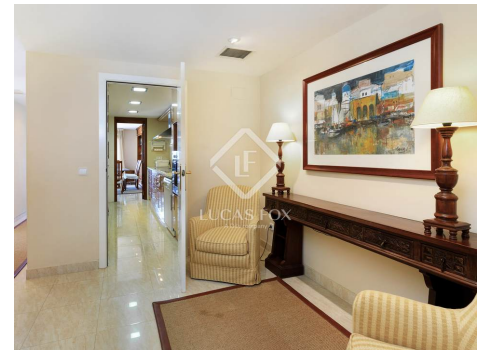

The apartment benefits from a very intuitive layout and is distributed as follows:

We are welcomed into the property by a hall that, on the left, gives way to the day area. Here we find a spacious living room with abundant natural light given that it has access to a large terrace with sun canopy and stunning views of the sea and the port of Palamós. Next, there is a fully equipped kitchen with access to the dining room, a beautiful bedroom with en-suite bathroom with bathtub and sea views and a guest toilet.

To the right of the hall there are two double bedrooms facing the street and with access to the same balcony with automatic shutters. We also find a full bathroom that services these rooms and a service bedroom with private bathroom and utility area.

The property is equipped with air conditioning, heating and double-glazed windows.
