OVERVIEW

Stunning property in a prestigious cliffside urbanization beside Sant Feliu de Guíxols.

This spacious modern home overlooks the beautiful Costa Brava from a privileged position in the secluded Punta Brava neighbourhood, one of the most sought-after on the coast.

Entered at street level and with an inverted layout that places the living and dining spaces on the upper floor and the bedrooms, recreation spaces and gardens below, the property is perfect for enjoying a relaxed and luxurious Costa Brava lifestyle.

A lovely terrace spans the entire width of the house on the upper floor, with a sweeping open plan living area divided into kitchen, dining and relaxing spaces, as well as an office. Very large glass doors let the natural light flood in and open onto the outside deck with plenty of room to entertain, relax and enjoy the views.

The lower level has 5 large bedrooms, all with en-suite bathrooms, and the master suite has an impressive dressing room. All have access to the garden and swimming pool deck, where a deck with Jacuzzi sits outside the lovely spa area with sauna and gym. The gym forms part of a larger games room that would also make a perfect home cinema.

A charming inner courtyard and deck area provides a lush and very peaceful chilling out space downstairs, while there is plenty of parking inside the main gate on a paved drive-in at street level.
