Charming 4 Bedroom period property for sale in the heart of Begur, Costa Brava

Delightfully restored 4 bedroom period property full of charm and with a private garden in the centre of Begur

The property was the subject of a major refurbishment in 2012 (and a full renovation of the electrical installation in 2019) retaining many historical elements such as the original stone walls, vaulted ceilings, wooden beams and tiled floors. The property is set over two floors with a delightful garden to the rear.

On the ground floor we find the entrance hall from which we can access the charming living room, a stone-vaulted room with a fireplace. Off the entrance hall we also find the kitchen which is fully equipped with all the modern appliances but still retains its period charm. We also find on the ground floor the bathroom complete with walk-in shower and a large storage cupboard with enough room to store bicycles.

Moving up the stone stairs we come to the first floor where we find four bedrooms, three of which are doubles. One of the bedrooms has its own ensuite shower room.

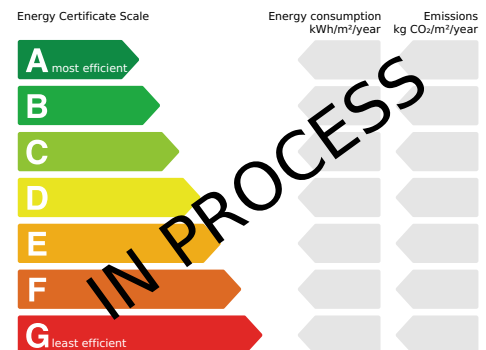

From the first floor we access the garden. The charming south-east facing walled garden benefits from all-day sun and enjoys views out over the village rooftops and Begur's castle. In the garden there is a covered chill-out area and a small kitchenette for outdoor dining.

The property is located in one Begur's most charming and quiet streets with vehicle access only granted to the neighbours. The property is ideally located in the centre of Begur with the church, the main square and the bars and restaurants only a 1-minute walk away.
