Rustic style villa with sea views, located in a privileged environment in the Masies de Lloret development. It has a huge garden with fountains and ponds, a sports area, a chill out area and a spa area.

Rustic style villa set on a 5108 m² plot.

It has two floors. On the first floor we find a huge living-dining room with access to the porch as well as a kitchen open to the living room with a water softening system and quality appliances. Following the hallway we have three double bedrooms, a storage room or pantry and a bathroom to share. The second floor houses two bedrooms with access to a terrace with panoramic views and a complete bathroom.

The house boasts quality finishes, as well as air conditioning, a secure front door, aluminum exterior joinery, interior woodwork and stoneware floors.

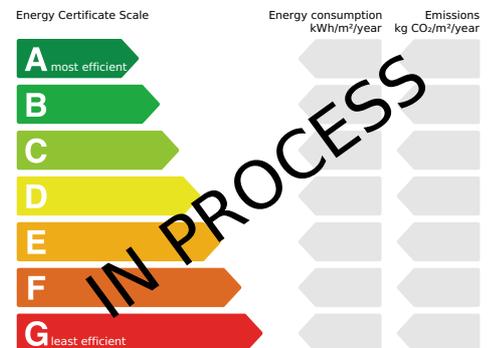

The villa is surrounded by a beautiful garden with native trees, an artificial waterfall and a pond. It has a saltwater pool with a separate shower, a stone barbecue with a wood oven, as well as a large porch with space for a summer dining room.

In the lower part of the plot we find an immense forest area with wonderful little extras, such as a Finnish sauna with cold water pool, a wooden house as a gym with all the equipment to train, ponds with a wooden bridge and stone benches and a vineyard with sea views, among others. It is a very quiet and family-friendly area.
